D. Approval, Amendment or Renewal of a Cooperative Breeding Program (Wild Bird Conservation Act)

This application must be approved before import permits may be issued for the purpose of cooperative breeding. A Cooperative Breeding Program (CBP) must have at least two members. Zoological institutions may be members of a CBP. Once a program is approved, you must submit form 3-200-48 to request specific import authorization.

Please provide the following information on a separate sheet of paper. If requesting authorization for more than one species or subspecies, please answer questions 1-4 for each species or subspecies.

1. A description of the bird(s) to be imported or to be covered under the program, including:
 - a. Scientific name (genus, species, and if applicable, subspecies) and common name;
 - b. number of birds needed for the program (**Note:** this should equal the total number of birds needed by all the members of the CBP); and
 - c. sex ratio (if known).
2. A full statement justifying the need for this approval and a description of the cooperative breeding program, including:
 - a. breeding protocol, which must include a genetic management plan and breeding methods, justifying the number of birds to be imported by the CBP;
 - b. statement on the plans for developing and maintaining a self-sustaining population in captivity of the exotic bird species;
 - c. details on the system of record keeping and tracking of birds and their offspring, including how individual specimens will be marked or otherwise identified;
 - d. statement on the relationship of the cooperative breeding program to the conservation of the exotic bird species in the wild;
 - e. details on the funding of the cooperative breeding program; and
 - f. plans for the placement of the exotic birds and any offspring, **recalling that birds imported as part of a cooperative breeding program cannot be loaned or sold to a non-member.** This statement should include provisions that will be taken if a member(s) leaves the program.
3. Describe care and maintenance of this species, and how each prospective members' facilities meet professionally recognized standards, including:
 - a. name and addresses of each facility where the birds will be maintained;
 - b. photos and detailed description of each facility including dimensions of enclosures for the birds to be imported and offspring and the number of birds to be housed in each;
 - c. husbandry practices; and
 - d. a qualification statement for EACH individual who will be participating in CBP. This statement should include records showing the participant's prior breeding experience with bird species that are the same or similar to the species in the CBP.
4. Each CBP must identify an appropriate avicultural, zoological, or conservation organization that has agreed to oversee it. Please provide an official letterhead statement from the designated oversight organization that includes at a minimum:
 - a. criteria for acceptance of individuals into the program;
 - b. how the participants in the program will be monitored; and
 - c. the relationship of the oversight organization to the CBP in establishing and maintaining a self-sustaining captive population of the exotic bird species or enhancing the conservation of the species in the wild.
5. If you are amending or renewing a program, you must also provide the following information:
 - a. the number, species and sex of all birds that have been imported to date for your CBP, including dates of import, countries of origin, and disposition of the imported birds for each importer;
 - b. for each program participant, a summary of any breeding activity that has been achieved with the imported birds, including the number of eggs and progeny produced, and the disposition of any progeny;
 - c. for each program participant, a summary of any mortality, including mortality during transit or quarantine (for birds that died in quarantine, you must provide appropriate documentation from USDA/Veterinary Services), of

birds imported as part of the approved cooperative breeding program as well as details of any post-fledging mortality of their progeny; and

- d. a summary of progress made towards achieving a self-sustaining captive population of each species; and
 - e. an explanation of any substantive changes that have or will occur regarding any aspect of the approved cooperative breeding program.
6. Provide a signed statement from each CBP member. The statement should contain the following information:
- a. Member name;
 - b. Scientific name of all species being requested for the program;
 - c. Statement that the member is aware of the purposes of the cooperative breeding program and the Wild Bird Conservation Act and will abide by the regulations and conditions placed on the program if it is approved.
7. Address where you wish correspondence mailed (if different than page 1):
_____.
8. If you wish the approval to be mailed other than by regular mail, provide air bill, pre-paid envelope, or billing information _____.
9. Who should we contact if we have questions about the application? (Include name, phone number, and email):
_____.

PERMIT APPLICATION FORM INSTRUCTIONS

The following instructions pertain to the standard permit form 3-200 that must be completed as an application for a U.S. Fish and Wildlife Service or CITES permit. The General Permit Procedures in 50 CFR 13 address the permitting process. For simplification, all licenses, permits, registrations, and certificates will be referred to as a permit.

- Complete all appropriate blocks/lines/questions in Sections A OR B, and C and D. **Print clearly or type in the information.** An incomplete application may cause delays in processing or may be returned to the applicant. Note: if a field is "grayed in", no answer is required.
- Sign the application in blue ink and send the original to the address at the top of the application. Faxes or copies of the original signature will not be accepted.
- Please plan ahead. Allow at least 60 days for your application to be processed (50 CFR 13.11). However, some applications may take longer than 90 days to process. Applications are processed in the order they are received.
- Additional forms and instructions are available from <http://permits.fws.gov/>.

Most of the application form is self-explanatory, but the following provides some assistance for completing the form.

COMPLETE EITHER SECTION A OR SECTION B:

- Section A. **"Complete if applying as an individual"** - Enter the complete name of the responsible individual who will be the permittee if a permit is issued. Enter personal information that identifies the applicant. All blocks must be completed. **If you are applying on behalf of a client, the personal information must pertain to the client; and a document evidencing power of attorney must be included with the application.**
- Section B. **"Complete if applying as a business, corporation, public agency, or institution"** - Enter the complete name and address of the business, agency or institution that will be the permittee if a permit is issued. Give a brief description of the type of business the applicant is engaged in, the name and phone number of the person in charge (i.e., principal officer), and if the company is incorporated, the State in which it is incorporated.

ALL APPLICANTS COMPLETE SECTION C:

- Section C.1 **"Do you currently have or have you had any Federal Fish and Wildlife permits?"** List the number(s) of your most current FWS or CITES permit or the number of the most recent permit if none are currently valid. If applying for a renewal of a CITES permit, the original permit must be returned with this application.
- Section C.2 **"Have you obtained all required State, Federal or foreign government approval to conduct the activity you propose?"** (Please be aware that there may be other requirements necessary to conduct this activity such as a hunting license, import permit, or collection permit.) If "yes," list the state, Federal or foreign countries involved and type of document required. Include a copy of these documents with the application. If you have applied for the documents, check the "have applied" box and list the state, Federal or foreign countries involved and type of documents required. If the proposed activity is not regulated check "not required."
- Section C.3 **"Check or money order (if applicable)"** There is an application processing fee unless you are applying as a Federal, State or tribal government agency or you are an individual or institution under contract to such agency for the proposed activities. (See 50 CFR 13.11(d)(3) for fee schedule.) Proof of status as a Federal, State or tribal government agency or contractor to such agency should accompany your application. The application processing fee is assessed to partially cover the cost of processing a request. The fee does not guarantee the issuance of a permit. It will not be refunded regardless of whether a permit is issued, abandoned, or denied. See the accompanying section APPLICATION PROCESSING FEE for the fee to process this application. Make your check or money order payable to the "U.S. Fish and Wildlife Service" and attach it to the application form.
- Section C.4 **"CERTIFICATION"** The individual identified in Section A, the principal officer named in Section B, or person with a valid power of attorney (documentation must be included in the application) must sign and date the application in blue ink. This signature binds the applicant to the statement of certification. This means that you certify that you have read and understand the regulations that apply to the permit. You also certify that everything included in the application is true to the best of your knowledge. Be sure to read the statement and re-read the application and your answers before signing.

ALL APPLICANTS COMPLETE SECTION D:

Provide any required additional information outlined in Section D. of the application form. Be as complete and descriptive as possible. If there is any doubt as to the information's relevance, include it with the application. Please do not send videotapes or DVDs.

APPLICATION FOR A FEDERAL FISH AND WILDLIFE PERMIT

Paperwork Reduction Act and the Privacy Act – Notices

In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. 3501, *et seq.*) and the Privacy Act of 1974 (5 U.S.C. 552a), please be advised that:

1. The gathering of information on fish and wildlife is authorized by:
 - a. Bald and Golden Eagle Protection Act (16 U.S.C. 668), [Title 50 Part 22 of the Code of Federal Regulations \(CFR\)](#);
 - b. Endangered Species Act of 1973 (16 U.S.C. 1531-1544), [Title 50 CFR Part 17](#);

 - d. Marine Mammal Protection Act of 1972 (16 U.S.C. 1361, *et seq.*), [Title 50 CFR Part 18](#);
 - e. Wild Bird Conservation Act (16 U.S.C. 4901-4916), [Title 50 CFR Part 15](#);
 - f. Lacey Act (18 U.S.C. 42); Injurious Wildlife, [Title 50 CFR Part 16](#);
 - g. [Convention on International Trade in Endangered Species of Wild Fauna and Flora \(TIAS 8249\)](#); [Title 50 CFR Part 23](#).
 - h. General Provisions, [Title 50 CFR Part 10](#);
 - i. General Permit Procedures, [Title 50 CFR Part 13](#); and
 - j. Wildlife (Import/export/transport), [Title 50 CFR Part 14](#).
2. Information requested in this form is purely voluntary. However, submission of requested information is required in order to process applications for permits authorized under the above laws. Failure to provide all requested information may be sufficient cause for the U.S. Fish and Wildlife Service to deny the request. Response is not required unless a currently valid Office of Management and Budget (OMB) control number is displayed.
3. Certain applications for permits authorized under the Endangered Species Act of 1973 (16 U.S.C. 1539) and the Marine Mammal Protection Act of 1972 (16 U.S.C. 1374) will be published in the **Federal Register** as required by the two laws.
4. Routine use disclosures outside the Department of the Interior may be made without the consent of an individual if the disclosure is compatible with the purposes for which the record was collected. (Ref. 68 FR 52611, September 4, 2003) Disclosures outside the DOI may be made under the routine uses listed below without the consent of the individual if the disclosure is compatible with the purposes for which the record was collected.
 - a. To subject matter experts, and State, Federal, local, and foreign agencies, for the purpose of obtaining advice relevant to making a decision on an application for a permit or when necessary to accomplish a FWS function related to this system of records.
 - b. To the public as a result of publishing Federal Register notices announcing the receipt of permit applications for public comment or notice of the decision on a permit application.
 - c. To Federal, State, local, or foreign wildlife and plant agencies for the exchange of information on permits granted or denied to assure compliance with all applicable permitting requirements.
 - d. To Captive-bred Wildlife registrants under the Endangered Species Act for the exchange of authorized species, and to share information on the captive breeding of these species.
 - e. To Federal, State, and local authorities who need to know who is permitted to receive and rehabilitate sick, orphaned, and injured birds under the Migratory Bird Treaty Act and the Bald and Golden Eagle Protection Act; federally permitted rehabilitators; individuals seeking a permitted rehabilitator with whom to place a sick, injured, or orphaned bird in need of care; and licensed veterinarians who receive, treat, or diagnose sick, orphaned, and injured birds.
 - f. To the Department of Justice (DOJ), or a court, adjudicative, or other administrative body or to a party in litigation before a court or adjudicative or administrative body, under certain circumstances;
 - g. To the appropriate Federal, State, tribal, local, or foreign governmental agency responsible for investigating, prosecuting, enforcing, or implementing statutes, rules, or licenses, when we become aware of a violation or potential violation of such statutes, rules, or licenses, or when we need to monitor activities associated with a permit or regulated use.
 - h. To a congressional office in response to an inquiry to the office by the individual to whom the record pertains.
 - i. To the General Accounting Office or Congress when the information is required for the evaluation of the permit programs.
 - j. To provide addresses obtained from the Internal Revenue Service to debt collection agencies for purposes of locating a debtor to collect or compromise a Federal claim against the debtor, or to consumer reporting agencies to prepare a commercial credit report for use by the FWS.
5. For individuals, personal information such as home address and telephone number, financial data, and personal identifiers (social security number, birth date, etc.) will be removed prior to any release of the application.
6. The public reporting burden on the applicant for this information collection varies depending on the activity for which a permit is requested. The relevant burden for this permit application is 3 hours. This burden estimate includes time for reviewing instructions, gathering and maintaining data and completing and reviewing the form. You may direct comments regarding the burden estimate or any other aspect of the form to the Service Information Clearance Officer, U.S. Fish and Wildlife Service, Mail Stop 222, Arlington Square, U.S. Department of the Interior, 1849 C Street, NW, Washington D.C. 20240.

Freedom of Information Act – Notice

For organizations, businesses, or individuals operating as a business (i.e., permittees not covered by the Privacy Act), we request that you identify any information that should be considered privileged and confidential business information to allow the Service to meet its responsibilities under FOIA. Confidential business information must be clearly marked "Business Confidential" at the top of the letter or page and each succeeding page and must be accompanied by a non-confidential summary of the confidential information. The non-confidential summary and remaining documents may be made available to the public under FOIA [43 CFR 2.13(c)(4), 43 CFR 2.15(d)(1)(i)].

Application Processing Fee

The fee to process this application is \$200.00. Checks should be made payable to "U.S. Fish and Wildlife Service." Fees for renewals and amendments may vary; see fee schedule at [50 CFR 13.11\(d\)\(4\)](#). The processing fee will not be refunded regardless of whether a permit is issued, abandoned, or denied. The fee schedule does not apply to any Federal, State, or tribal government agency or individual or institution under contract to such agency for the proposed activities.
